DIVORCE: Think Financially, Not Emotionally® Volume II: What Women Need To Know About Securing Their Financial Future Before, During, And After Divorce

Synopsis

Are you prepared for all the financial decisions youâ€™ll need to make when you divorce? In *Divorce: Think Financially, Not Emotionally*® Volume II, Jeff Landers continues the conversation he started in Volume I, using straight talk to explain important financial matters every divorcing woman needs to understand. Volume II covers a wide range of new topics, including:

- Why you might want to keep a secret fund
- What you can and cannot withdraw from joint accounts
- The financial impacts of moving out of the marital home
- The pros and cons of filing first
- How to divide stock, stock options and restricted stock
- Student loans: Are they part of marital debt?
- Ways to protect inheritances and gifts
- How being a stay-at-home mom can affect your divorce and your financial future
- Special considerations for women who earn more than their husbands
- How dual citizenship impacts divorce
- And much more!

The financial decisions you make both before and during your divorce will directly impact the rest of your life, for better or worse. Let *Divorce: Think Financially, Not Emotionally*® Volumes I and II help you come through your divorce successfully, so you can look ahead to a bright, financially-secure future for you and your children. A portion of the purchase price of each book sold is donated to various charities that help female victims of domestic abuse and their children.

What People Are Saying About *Divorce: Think Financially, Not Emotionally*®

- "Divorce: Think Financially, Not Emotionally® is a wonderful guide for women seeking to secure their financial future." --Renowned divorce attorney Laura A. Wasser, whose client list includes Heidi Klum, Angelina Jolie, Christina Aguilera and other celebrities
- "I wish I had this book when I was going through my divorce! It would have made the learning curve much less steep." --Sonja Morgan, star of *The Real Housewives of New York*
- "I wholeheartedly applaud Jeff's efforts to support women in abusive situations." --Syndicated columnist Liz Smith

Customer Reviews

Volume II continues where Volume I left off and provides detailed and essential information on all the financial aspects of divorce for women, many of which I never thought of. A lot of new and current information was added in this volume, keeping up with the ever changing times. A terrific and informative read!

Divorce: Think Financially, Not Emotionally Volume II is a wealth of knowledge that can give you calmness and strength in navigating the financial part of life â “ no matter where you are in life or what circumstance. Reading Volume I gave a foundation to Volume II. I will be looking forward to any future books by this author

wonderful advice. depending on how rural an area you live in, your attorney may not be aware of these things. They advise a certified divorce financial advisor and there are none in my area. you should have an attorney who is confident and will not be put off or defensive about what you read and then share in this book.

You must read this book! A great follow-up to the first book. Jeff explains things in a very easy-to-understand, practical, useful manner. It would be great if lawyers explained all these things, but they don't, so you need the extra help from this book! Provides both general and specific information that is useful for varied circumstances that a lot of women find themselves in. Helps you to remember to cross at Ts when thinking about your approach to negotiations, settlement, working with your lawyer, etc. A great book and much-needed information!!!

As a Financial Advisor by profession and woman enduring divorce, I thought I could handle

navigating the financial decisions that faced me on my own. This book put a finer point on what I needed to consider, though. Thanks to the wisdom and advice author, Jeff Landers, provided in this book...I came out of my divorce in a better situation.

After ordering several books recommended on regarding divorce, DIVORCE: Think Financially, Not Emotionally became my go-to reference. I devoured this book from beginning to end, taking voluminous notes as I went along, helping me to get organized, line up professionals, and outline the steps I needed to take along the way. DIVORCE: Think Financially, Not Emotionally allowed me to see big picture, understand the many paths of the divorce process and keep my sights on my financial goals. NOTE: For this book, I recommend ordering the hard copy to make it easier to mark up with notes and make copies of reference pages.

Fantastic! Both Vol 1 and 2, are Mandatory reading for any woman who has ever had the word divorce enter her mind! I am awaiting the next book on investing. Kimberlee
