Martin Fierro (English And Spanish Edition)

Synopsis

The two poems which, together, are popularly known as the Martín Fierro form what is often regarded as the greatest single Spanish American work in creative literature. Appropriately, it draws from Spain the language and verse forms which have long been the vehicle of improvisation, the didactic folk wisdom of old Spanish proverbs, the Spanish interest in law whether formally codified in the fueros and the Siete Partidas or informally mocked by the pã-caros in its practical application, and the Spanish emphasis upon individual worth and independence. Even more directly, the Martín Fierro is national in feeling, portraying the Argentine rural scene and the social aspirations, institutions and events of a great transition period of Argentine history. | Rooted in Spain, Argentine in content, universal in interest, the Martín Fierro is one of the world's great books and should be more widely known abroad. | This edition is improved by the availability of original and translation on facing pages. " Madaline W. Nichols in Inter-American Review of Bibliography Included in CHOICE's selection of Outstanding Academic Books of 1968 "69.

Book Information

Paperback: 507 pages

Publisher: State University of New York Press; 1st edition (June 30, 1967)

Language: English, Spanish

ISBN-10: 0791458601

ISBN-13: 978-0791458600

Product Dimensions: 6 x 1.2 x 9 inches

Shipping Weight: 2 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars See all reviews (5 customer reviews)

Customer Reviews

I wrote a review some time ago with a similar title for the hardcover of this edition of Martín Fierro. This is the paperback of the same edition that I praised so highly in that review. Unfortunately, the hardcover is now out of print, so I'm transferring the information here, so that anyone who is still seeking the best available edition (in English translation) of the infamous Martín Fierro knows a bit more about this edition. Due to confusion regarding the general way these reviews are sometimes

organized on , I will specify that the edition I am writing about has the following ISBN-13: 9780791458600 Martin Fierro. I do not claim to be writing about any other edition. This is a bilingual edition, with left pages in the original Spanish, right pages in English, it's fully annotated (sometimes with the exact same notes for the English and the Spanish reader, sometimes with particular explanations for just one reader or the other -- which leads me to believe the editors really gave some thought in their preparation of this volume), it's illustrated (with extremely simple black and white reproductions of the classic Antonio Berni paintings), and it's COMPLETE & UNABRIDGED (which is to say that it contains BOTH Martin Fierro and the Return of Martin Fierro, which is very difficult to find in translation -- most editions will NOT have the Return).
