Customer Reviews

This E&E did a great job of breaking down complicated statutes, although I had hoped it would go much more in-depth on some issues than it actually did. On-par with other E&Es. The Study Desk bonus was a waste of space, as it only worked on Windows computers, and I would guess at least half of law students are working on iOS now.

Drop out of law school and do something valuable with your life.

Purchased for college...but maybe I could've been a lawyer....
