# Understanding Bankruptcy

## Synopsis

This book provides a detailed introduction to bankruptcy and related state and federal debtor-creditor law. It is equally useful in an introductory Creditors' Rights course that emphasizes bankruptcy; a free-standing Bankruptcy course; or an advanced course in Chapter 11 Reorganization. It provides an ample explanation of the issues likely to arise in any of these courses, specifically including issues raised by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005. It is also a useful and inexpensive single-volume guide for new and experienced bankruptcy practitioners
