# Nolo's Deposition Handbook

## Synopsis

Getting deposed? Conducting a deposition? Here's the book you need to take the mystery out of the deposition process and answer questions with confidence. You'll even learn the three "golden rules" for answering questions and the trick questions lawyers often use to influence testimony. A perfect book for law students, lawyers, legal assistants, witnesses, expert witnesses, and anyone who wants to represent themselves in court, Nolo's Deposition Handbook provides all the information you need to sail through the deposition process with confidence. This edition contains updated statutes, cases, and rules -- plus, new material on "electronic discovery" which applies to information stored in computers, including records and emails.

## Customer Reviews

Excellent prep-guide not only for civilians, but new lawyers as well. Taught me a great deal.

Excellent book with lots of great advice and counsel.

I won my depositions because of this book!
