Customer Reviews

I'll be posting all of this review on the following sites (i.e., all in this series currently published by 12/11): Walk in the Park Sunday, Three-day Weekend, Sunny Sunday, Weekend Getaway, and Sunday Brunch. The facts are: 1) printed on very good quality paper 2) one puzzle plus clues per page 3) print and squares large enough for older eyes 4) individual leaves -- a puzzle on each side -- easily ripped from spiral binding 5) superb editing: as far as I can remember, absolutely no typos 6) hardly any gratuitously obscure clues: everything fair and above board Now to the opinion: Just in case a crossword puzzle in any book or newspaper might be too easy, I work the puzzle as a sort of Scrabble; i.e., I can start the puzzle anywhere, but must play off existing words only and can't begin again elsewhere on the puzzle until I'm absolutely stumped and can no longer play off what I have already written in. (Yes, I use ink.) I estimate that I became "stumped" in fewer than one out of five puzzles. I do not consider these especially easy, but neither are they terribly difficult. Perhaps a few are challenging. Some have clever gimmicks. Just about every one is fun. These are top quality, well-edited, fair play, medium difficulty crossword puzzles.

I've never enjoyed a series of crossword books this much. "Sunny Sunday" is my second Leslie Billig puzzle book and I intend to order every book that bears her name. The puzzles are difficult and challenging, but not impossible to complete. Each puzzle has its own theme and personality and none of those ridiculous clues, like "Tasmanian beetle." Be prepared for a few chuckles in each puzzle, such as when the answer to "small flower" turns out to be "creek."

As I have become a regular buyer of crossword puzzle books, I have noticed that this book, and I assume the similar series, has challenging but doable puzzles, quality binding and really nice paper. I didn't notice how beneficial it was to have nice paper until I got this book. Now I have become a paper snob and have ordered several more of this series. I highly recommend.

Purchased a number of these crossword puzzle books and loved each one. Definitely not easy, some are hard. Once you figure out the theme, it goes better. I have done all of them. Need more. I do have one gripe...concerning 007 and his drink. Read the books, he orders a vodka martini stirred NOT SHAKEN. All martinis are shaken unless otherwise specified, Otherwise, loved the books.

These are the BEST. I like a crossword puzzle book which is spiral bound. I also like that the pages are white and not that newspaper type. The answers are conveniently located and I think I've bought every one in the series. Hours and hours of fun.

These are impossible crossword puzzles. I have an advanced degree and have worked crosswords for over 20 years but I find these tedious and extremely difficult. Maybe I'm just getting dumb!

I love these puzzles by Leslie Billig. I go through them like water, and order at least every couple of weeks. The construction and paper quality is superb.
