Customer Reviews

OK - I just gave 5 stars to the CFR. I know that is strange. However, I travel as an auditor and carrying all the regs in hard copy gets to be a bit heavy. The cost of the hard copy CFRs adds up. I purchased the Kindle version of the entire CFR for \$9.99. I can also highlight, delete highlight, and bookmark essential areas of reference. I have recommended this to all of my friends and coworkers who need to reference the CFR while on the road. Just FYI, there is an app that you can purchase

for your smart phone, but the cost is high and I can't imagine trying to read it on a phone. Also, I doubt if there is a way to highlight, un-highlight, or bookmark. This version seemed ideal. I now have to find the EU, Canadian, Chinese, and Japanese regs in a Kindle version.

Ugly formatting, difficult to find specific subsections and hard to navigate such huge sections, but great price and love that I have it on Kindle

wow it's great that I no longer have to lug a big heavy book all over the country anymore thank you for that

Item arrived quickly in perfect condition!! Product was exactly as we had expected it to be and we are glad!
