Evidence, Fifth Edition (Aspen Student Treatise Series)

Synopsis

Evidence is the most complete reference on evidence law available, written at a level that makes it an accessible, indispensable resource for students. The text emphasizes contemporary judicial interpretations of the Federal Rules of Evidence, making the law relevant to students. Organization around the Federal Rules of Evidence makes the text particularly understandable, with common-law coverage given where an issue is not codified. Throughout the text, Evidence features straightforward explication of the rules, analysis of leading case law, and thorough coverage of both the Federal Rules and state evidence codes. Pedagogical features include helpful marginal headings, mini-summaries of contents at the beginning of each chapter, generous footnotes, and useful case citations. The authors' strong reputations as casebook authors and authors of Aspen's practitioner Evidence treatise continue to attract users to this book. The Fifth Edition has been extensively revised to conform to the new restyled Federal Rules of Evidence that became effective December 1, 2011. Cases new to this edition include *Massachusetts v. Melendez-Diaz*, *Bullcoming v. New Mexico*, and *Michigan v. Bryant*. The new rule amendment to FRE 804 has been introduced as well as new material covering developments relating to the Confrontation Clause as well as the admission of scientific evidence. Hallmark features:

- Most complete reference on evidence law available
- Written at an accessible level resource
- Emphasizes contemporary judicial interpretations of the Federal Rules of Evidence, making the law relevant to students
- Organization around the Federal Rules of Evidence
 - o makes the Rule particularly understandable
 - o common-law coverage given where an issue is not codified
- Straightforward explication of the rules
- Analysis of leading case law
- Thorough coverage of both the Federal Rules and state evidence codes
- Pedagogical features
 - o helpful marginal headings
 - o mini-summaries of contents at the beginning of each chapter
 - o generous footnotes
 - o useful case citations
- Authors' reputations
 - o respected casebook authors
 - o authors of Aspen's practitioner Evidence treatise

Thoroughly updated, the revised Fifth Edition: Conforms to the new restyled Federal Rules of Evidence that became effective December 1, 2011. Includes important new cases

- o *Massachusetts v. Melendez-Diaz*
- o *Bullcoming v. New Mexico*

Customer Reviews

Good book to use to teach an evidence law school class. I took a class with this book and found it very useful and a good fit for the class. I was able to pass the class and did very well on the final. Definitely recommended. I only leave 4 and 5 star reviews for products that I would purchase again and recommend to friends and family.

This hornbook is highly detailed, well organized, and has been a valuable resource in my study of evidence. I usually sell a book after completing my study of a subject but I plan to keep this one for years to come.

Great for picking up tricky nuances that catch many students off guard. Also good for the case based explanations and very easy to follow once you become more familiar with FRE citations and layout

As far as legal textbooks go, this is one of the best I have come across in my 2 1/2 years of law school. Clear and concise.
