## Synopsis

The information contained in this powerful book is applicable to all VIDEO KENO, LIVE KENO and LOTTERY KENO games. Written by two former Las Vegas Keno shift bosses, one of whom actually won ONE MILLION DOLLARS after hitting ten out-of-ten on a \$1.00 ticket at Boulder Station Casino, Las Vegas, Nevada on January 12, 2005, this book covers every aspect of the game. To most players Keno is only a game. To the Casino it's a business. SMART KENO PLAY shows every aspect of the game from both sides. SMART KENO PLAY is the ONLY book showing the games COMPLETE detailed mathematics for all numbers and tickets. In addition to learning the odds and about house percentages, the book even shows various playing methods that players may use. SMART KENO PLAY is both a textbook and a players book.
